MEMORANDUM FOR: Executive Secretary

SUBJECT : Morton H. Halperin - FOI Request

1. As you know, Mr. Halperin has filed an extensive FOI request for various Agency materials. Some of this has been identified in the files of this office, and is being reviewed as a basis for considering it for release in response to Mr. Halperin's request. This material was accumulated in the period following the 9 May 1973 notice to employees.

2. The attached material, as you will note, is comprised of drafts and formal summaries of excerpts from the minutes of the morning meetings, and MAG-related materials. They are referenced below by numbers assigned them in the course of review in the Office of the General Counsel by representatives of the Department of Justice:

350-358
390-391
397-398
433-443
444-447
448-453

3. It would be appreciated if you would review this material in the near future and let us have your evaluation and judgment, as outlined in the OGC memorandum of 18 March 1975.

NOTE FOR: The Director

Bill:

In acting on an FOIA appeal by Morton Halperin, there is one item that Bill Nelson thought should be brought to your attention. Halperin had asked for the backups of the various Directorates to the IG Report. The attached item is felt to be unclassified by the DDO and myself. However, I thought it should be brought to your attention before we released it.
